

DIAMOND BRITE® *Jewels* Patent Pending

The Beauty of Sparkling Gemstones in a Luxury Pool Finish

Designed with a patent pending proprietary formula, the six unique Diamond Brite® Jewels finishes have unparalleled fade resistance and are highly UV stable.

Through the years this will be the catalyst for keeping your rich, vibrant finish color as beautiful as when it was first installed, taking your poolscape from ordinary to something extraordinary.

Sample colors and photographs attached here are as accurate as modern technology can produce and can even vary depending on your monitor calibrations. The color of your pool may vary due to water depth, landscaping, lighting conditions at job-site, mixing and installation methods. For best results, match to a sample chip.
