- Air regulator controls amount of air bubbles in water flow. (Black cover available)
- Control Box with GFCI.
- Speck 4.0 HP or 3.5 HP self-priming plastic pump. UL Listed, single phase with thermal overload (*no motor start required*).
- Pulsating massage hose that can be attached to jet nozzle. (*Optional*)
- Winter cover kit. (*Optional - Not Shown*)

Package A

Installation

The BaduStream is normally incorporated into the design, but it can be added to any pool at a later date.

The BaduStream has no protruding parts ensuring pool users' safety.

All BaduStream systems include control box with air button and 50 ft. air tubing. 4" or 3" plumbing is required, depending upon the package chosen. Read all instructions before installing.

Consult your physician before attempting any strenuous exercise. This product may not be challenging or satisfying for all levels of exercise.

Installation Specifications

Additional Cover Options

Optional round covers are available in black, gray and white.
